New Single Storey Near Rail

Here is a rare opportunity to purchase a newly constructed single-storey home in the sought-after area of Kellyville.

In a quiet street amongst quality new homes, the location is close but not too close to Kellyville Rail Station scheduled to be completed this year.

Are you looking for two family homes near to each other. We also have a vacant lot for sale, at 9 Bruhn Circuit, adjacent to the new home.

So live in one while you build next door and have two assets together. Alternatively have one new home with 1,400 square metres of land.

Recent sales in the area have shown that the rarely offered new single-storey homes sell quickly so get in early while the owner is finishing the landscaping and fencing.
